

Idaho Meats Evaluation and Technology Handbook

Purpose

To create interest and promote understanding in meat science by providing opportunities for recognition through the demonstration of skills and proficiencies.

Objectives

- To develop employment skills for students who are interested in exploring or pursuing career opportunities in the meat industry.
- To assist the local agricultural education instructor in motivating students to become knowledgeable consumers of meat and meat animal products and/or involved in the industry of meat animal marketing and merchandising.
- To encourage the development of broader analytical skills, critical thinking strategies and an understanding of appropriate meat terminology for high school students.
- To develop the ability to evaluate meat animal products in order to optimize economic returns to producers and industry as well as to meet the needs of the consumer.

General Rules and Regulations

- Three or four members can constitute an official team for the Meats Technology Career Development Event. However, only
 three of the individual scores will be used in the team score tabulation. In addition, no alternates will be allowed in the
 Meats Technology Event.
 - a. The student from the state winning team who has the DROP score AND does not compete at Nationals is ELIGIBLE to compete at the state contest again.
- 2. One minute per cut will be allowed for identification, at least 7 minutes will be allowed for each evaluation class, and at least 10 minutes will be allowed for the grading.
- 3. All judging classes will be judged using a standard placing card.
- 4. Participants and judges (official) are to make their placing and identification of meat without handling. No measuring devices of any kind and no programmable calculators will be used by the participants.
- 5. Participants and advisors will be responsible for furnishing their own lab coats and hard hats/bump hats. If the participant does not have a lab coat and appropriate headwear at the event, they will NOT be allowed to participate. **Notice to** advisors, there may only be one group therefore sharing of lab coats and hats may not be possible.
- 6. Participants in need of special accommodations (disability or other health issues) must submit the Idaho State FFA Career Development Events Request for Special Accommodation Application found at the end of the General Rules and Regulations at least one month prior to the event.
- 7. Members may participate in one event at a time. A member may not participate in overlapping CDEs during the Idaho FFA State CDE events in Moscow or State Leadership Conference in Twin Falls.

Format and Scoring

- 1. 250 pts. Five classes (7 minutes per class allowed) to be placed and consist of:
 - a. One class of 4 retail cuts of beef from the wholesale cuts of chuck, rib, loin and round. (50 points)
 - b. One class of 4 retail cuts of fresh pork from the wholesale cuts of ham, loin and shoulder. (50 points)
 - c. One class of 4 beef carcass--placed for final placing only. (50 points)
 - d. One class of 4 pork carcass--placed for final placing only. (50 points)
 - e. One class of 4 lamb carcass--placed for final placing only. (50 points)
- 2. 50 pts. Oral Questions. One of the retail cuts class and one carcass class from the above list will be chosen to be used as oral questions classes. Participants will be given an extra 3 minutes on each of these classes. At the completion of judging the two questions classes
 - a. The participants will be given 7 minutes to answer 5 oral questions per class (a total of 10)
 - b. Worth 5 pts. per question. Notes may be used to answer the questions. (50 points)
- 3. 60 points- Beef Quality and Yield Grading. Participants will quality grade and yield grade three beef carcasses (20 points per carcass).

- Quality Grading: Participants may use the worksheet provided for Beef Grading. The participant should complete the section of answers for quality grading on the computerized scorecard. Ten points are awarded for each correct grade. Each will be scored for the applicable adjacent grade as follows: 10, 8, 5, 0. Carcasses used for this class will be limited to "A" maturity (Prime, Choice, Select, and Standard).
- Yield Grading: Participants may use the worksheet provided for Beef Grading. Participant is to calculate the final "Yield Grade" to the nearest one-tenth of a grade. Ten points are awarded for each correct grade. The participant should complete the section of answers for yield grading on the computerized scorecard. The KPH (internal fat) will be provided to the students.

Full points will be earned for 1/10th above or below official yield grade. A two-point deduction will be made for 2/10th – 5/10th above or below official yield grade. A five-point deduction for 6/10th – 9/10th above or below official yield grade. Zero points will be awarded for answers one yield grade above or below the official yield grade.

Official United States Department of Agriculture Yield Grades are 1.0 – 5.9.

5. 300 pts. - Cuts of meat for identification. Participants will identify 30 retail meats cuts found on the Meats Identification Card. Each cut will be worth 10 points: 2 points for species, 3 points for wholesale cut, and 5 points for retail cut. The list of acceptable cuts will be those included on the retail cuts code sheet on pages 7-9. One minute per cut will be allowed for identification purposes. Three sections of 10 cuts and 10 minutes each will be used in the state event for a total of 30 cuts and 30 minutes for identification.

SCORING EXAMPLE

Official Yield Grade (FYG Official) = 2.2 FYG 2.1- 2.3 = full points (10) FYG 1.7 - 2.0 or 2.4-2.7 = minus 2 points FYG 1.3 - 1.6 or 2.8 - 3.1 = minus 5 points Zero points for any FYG a full yield grade above or below official FYG

Tie Breakers

Ties will be broken by scores on the cut identification portion of the event. In the event that a tie still exists, quality and yield grade scores will be used as the second tie breaker.

Awards

Awards are presented to teams as well as individuals based upon their rankings. The top 10 teams and individuals will be recognized. Individuals from 1st through 5th place will receive medals. Teams from 1st through 5th place will receive plaques.

Acknowledgement

The Idaho Beef Council is a sponsor for the Meats Technology Career Development Event through the Idaho FFA Foundation.

USDA BEEF GRADING WORKSHEET

CARCASS YIELD GRADING

CARCASS	F	ΥG	Carcass Require		Rib Ey	e Area	% КРН	FYG
NO.	Est.	Adj.	Weight	REA	Est.	Adj.	Given	
1								
2								
3								

Identify the final yield grade (to the nearest tenth) and complete the scan form correspondingly. Full points will be earned for a correct answer and 1/10th above or below official yield grade. A two-point deduction will be made for 2/10th - 5/10th above or below official yield grade. A four-point deduction for 6/10th - 9/10th above or below official yield grade. Zero points will be awarded for answers one yield grade above or below the official yield grade. Perfect score will be a maximum of thirty points for each yield grading (ten points for three carcasses).

CARCASS QUALITY GRADING
